

**SOUTHGATE INSTITUTE FOR HEALTH, SOCIETY AND EQUITY**

*A national centre for research into the social determinants of health & wellbeing*

# The Southgate Theory Club on Causation

*The Southgate Theory Club provides space and opportunities to think, deliberate and debate on the relevance of theories for understanding Health & Society. More importantly, it provides an opportunity for debate and interaction between researchers, academics and professionals from diverse fields and with different experiences. The Theory Club encourages cross-disciplinary perspectives.*

**15 September 2009, 5-7pm**

**Breakout Rooms, Level 1, Health Sciences Building, Flinders University**

**Chair: Colin MacDougall**

Associate Professor of Public Health &  
Executive Member, Southgate Institute for Health, Society and Equity

Please check out the video explaining the purpose behind this Theory Club Meeting: <http://www.flinders.edu.au/southgate/video/TC.wmv>

## **1. Causation in Economics**

**Professor Sue Richardson, Director, National Institute of Labour Studies**

## **2. The legal approach to causation**
