Delivering up to date research and information from specialist speakers and an avenue to identify gaps and deficiencies in current planning practices in regards to climate change adaptation.

Featuring:- **Nick Harvey, Adelaide University,**
The Science of Climate Change

**Tim O'Loughlin, Executive Director of
Sustainability and Climate Change Division –
Dept of Premier and Cabinet , State Government &
COAG Perspectives**

**John Higgins, Australian Greenhouse Office, National
Climate Change Issues and draft toolkit to help planners
prepare for climate change.**

A workshop exercise will be undertaken at the event to give planning practitioners an opportunity to discuss issues and barriers that affect them and what additional support they need to make adaptation possible. The Australian Greenhouse Office (AGO) will frame future research from this data collected
